# Tree of Hope

Transforming the health of  
sick and disabled children

## Partnerships and sponsorships

When your business partners with Tree of Hope, you are showing your commitment to support Tree of Hope's mission in helping us reach more families whose disabled children can't get what they need via our NHS.

## Corporate Packages

Benefits to your organisation:

- Get involved in your community
- Link to a children's charity that makes a profound difference to hundreds of families across the UK
- Enhance your brand
- Build Corporate Social Responsibility
- Encourage new business and potential new leads
- Meet new people
- Generate positive PR opportunities

## Other Opportunities

Tree of Hope offer sponsorship opportunities to sponsor events throughout the year. To be kept abreast of Events and Campaigns throughout the year, contact our Fundraising team and ask to join our mailing lists!

## Become a Tree of Hope Friend

Individuals can become a Tree of Hope friend for a year. A great way to keep in touch with the charity and become a part of our journey

# How your support can help our families achieve their goals!

♥ “Being with Tree of Hope has just been amazing, everything from the constant contact, the fundraising ideas and having people to talk to and be in touch with, it’s just been absolutely brilliant.” **Amanda Orr, William’s mum** ★

“This charity literally have kept me and my son going. Incredible people with huge hearts. I can’t thank them enough for the support they give us. Thankyou” **Chris Jenkins, Joey’s dad** 💡

★ “Having Tree of Hope behind us makes it all feel possible.”

**Cathy Malins, Tess’s mum**

Tree of Hope have supported our fundraising by quickly giving us exposure to national media which in turn led to more donations from a wider audience than we could have reached ourselves. ★

**Jennifer Faulds, Ella’s mum**
